Subject: Budco Financial IPP Payment Plan Dealership Portal Password Change

As part of our regular system reviews with Ford IT, we have been asked to deploy a strong/ more secure password utilization to our IPP Dealership portal (dealer.budcofinancial.com).

Action Requested of your Dealership:

- Between today and October 5, 2020 please have the key IPP payment plan contact at your dealership call us at (888) 368-8462 between the hours of 9am-6pm EDT.
- One of our customer service agents will provide your key contact with a new alpha-numeric password with at least one upper case, one lower case and one special character.
- Once set, this new password may continue to be used at the dealership level, or it can be changed in the portal by the dealership key contact.

Effective October 6, 2020 all dealerships that have not had a new password assigned will be locked-out of the IPP dealership portal until a new password has been established

Thank you for your attention to this matter, and we look forward to continuing to serve your dealership with all of its Ford Protect IPP payment plan needs.

Sincerely,

Ford Protect IPP Payment Plan Team
